Church Software

Date: _____

I need MTA for the following operating system(s) (check all that apply):

- Windows
 Macintosh OS 9 or lower
 Macintosh OS X

I need the following version of the software (check one):

- Single-User unlimited(\$400.00) Multi-User unlimited (\$500.00)

Small-Church options, the cost is \$1 per person tracked (minimum \$50 maximum \$300):

- Single-User limited to _____ people Multi-User limited to _____ people

I would also like to purchase the optional annual support:

- Annual Support Plan Single-User (\$200.00) Annual Support Plan Multi-User (\$300.00)

Our other church management software is _____,
which we plan to (fill in the blank and check one below):

- continue using
 abandon

We have _____ computers networked of which about _____ need access to MTA (put numbers in the blanks).
If over 7 computers need simultaneous access to the data, please contact the folks at MTA.

We will be tracking about _____ people with this software.

Please send the software to:

Name _____
Title _____
Church Your Church Name Here
Street _____
City, State, Zip _____
Email _____
Phone _____

Please enclose a check made out to DataWiz Solutions for the items marked below and include 4.5% sales tax if you are in Virginia (for the software only, not for the support contract), we will send you the most recent version of Members To Action. Shipping is \$7.00 within the US, \$25 outside the US or via Express Mail within the US.
